

Sponsorships & Exhibits

2026 Spring Conference April 7-8

PLUS Exhibits open on April 6 for Welcome Reception

A unique opportunity for sponsors and exhibitors to reach the LARGEST gathering of electric power professionals in the Gulf Coast region this Spring

600+ registrations expected

- **Connect with 600+ industry professionals:** GCPA Spring Conference is the largest springtime gathering of electric power professionals in the Gulf Coast region.
- **Gain access to your target market for less than the price of a one-page ad in an industry publication:** Elevate your company's profile before, during and even after the conference via repeated exposure of your brand/company logo. Rather than burying your ad in a publication that will get tossed, GCPA puts your company name directly in front of your audience via weekly conference email announcements, conference materials including our conference app, and post-conference distributions.
- **Reach the decision makers:** Over 30% of our attendees hold upper level management titles ranging from CEO to Vice President.
- **Economically utilize your marketing dollars:** Our sponsorships and exhibits are competitively priced and include benefits such as complimentary conference registrations that reduce the effective cost of your sponsorship or exhibit.

LEARN MORE ABOUT GCPA: Since 1983, GCPA has served Texas and the Gulf Coast as a regional electric power trade organization dedicated to promoting an improved understanding of the issues and opportunities impacting contemporary power markets. Today, GCPA has grown to a total membership of 2,500+ including 170+ member corporations while gaining a reputation as a premier and precedent-setting educator within the Texas competitive power market.

Attendee Information Usage Restrictions for Sponsors

GCPA may provide sponsors with limited attendee information including name, title, company, and business contact information (unless the individual has opted out). This information is provided exclusively for facilitating business connections related to GCPA events.

- Prohibited Uses: Sponsors may not use this information for bulk email campaigns, automated marketing, sale or transfer to third parties, or any purpose unrelated to GCPA events.
- Permitted Uses: Individual personalized outreach for event meeting scheduling, post-event follow-up with contacts made at the conference, and one-to-one business communications.
- Requirements: All attendee information must be destroyed within 90 days after the event unless the individual provides explicit consent for continued contact.
- Consequences: Violation of these restrictions may result in immediate revocation of sponsor benefits without refund, potential exclusion from future GCPA sponsorship opportunities, and/or elimination of this benefit for future events.

By accepting attendee information, sponsors agree to these terms and accept full liability for any misuse by their organization or representatives.

To discuss your participation as a conference sponsor, contact **Mary Armstrong, Deputy Executive Director**, at **281.460.3054** or marmstrong@gulfcoastpower.org

Exhibitor Packages

The Economical & Targeted Approach You Need to Reach the Electric Power Markets You Serve
